Aaron Ciarkowski

I would like to take the time to thank you for giving me the chance to represent Pioneer High School as the Baublit Business Scholarship recipient. I am very proud to have earned this award. This scholarship gives me great confidence and will help further my education at Michigan State University. I will be entering the Eli Broad College of Business after my freshman year to major in Supply Chain Management. I appreciate the praise the committee gave me after my interview and their advice will help me for further interviews. I strongly believe that I am a successful and hardworking student at Pioneer High School and this scholarship award proves my strong work ethic. My family and friends were very proud of my accomplishments and receiving this award. I'm excited to continue making my family and friends proud as I continue my studies in the business field. I hope to make the Baublit Business Scholarship committee proud in the future. I would like to keep in touch through my journey in the business world

Thank you for selecting me to be one of the recipients of the Baublit Business Scholarship for the Class of 2016. This means a lot to me as I go on to graduate high school on June 9, 2016 and journey forward to attend DePaul University at Driehaus College of Business in early September. I appreciate the feedback the committee provided me from my interview and the recognition you all gave me for the things I've done throughout my high school career. It is truly an honor to be awarded this scholarship from a committee of role models and well-proven successful Pioneer graduates. I put a lot of effort into preparing for this scholarship and it's reaffirming receiving this rewarding result. My mom was very emotional when I presented her with my award. She knew how much this meant to me. Her reaction spoke volumes about her pride in my hard work and how much it meant to her as well. This scholarship award will help my family immensely. Thank you for this whole experience and for believing in me. I plan to uphold the high standards of quality of the Baublit Business Scholarship throughout my college career and make great use of your contribution as I move forward in my college studies. I am excited about my future endeavors and plan to make you proud.

Thank you for all of the help at the DECA competitions, it was nice seeing you at the awards ceremony at EMU. Thank you for taking the time to go through the interview process with me and ultimately selecting me as one of the recipients of the Baublit Business Scholarship. I enjoyed talking to you and the rest of the committee panel. You made the experience fun and most of all you didn't make me feel intimated, I was very comfortable talking to you. The experiences I have had with DECA and Ms. Morabito at Pioneer have been great and I am excited about my next step at Kalamazoo College.
